2. Submit your request for CPT authorization from ISSS: Click on [CPT Authorization Request - UM Internship Credit \(Toppel Internship Program\)](#), carefully review and complete Sections A through E, and submit the request so it gets routed to the Toppel Career Center and your academic advisor.
3. The Toppel Career Center will review your *CPT Authorization Request* and will confirm receipt of the Learning Contract and enrollment in the UM Internship (UMI) Course.
4. Your academic advisor will receive a notification e-mail and will be asked to complete their section of the e-form and to submit it.
5. Now that all signers have completed their sections, your ISSS advisor will review the request and, if eligible, authorize you to engage in CPT and e-mail you an updated Form I-20 within 5 business days. The CPT authorization is noted on page 2 of the I-20.

Note: You will receive automated updates about the status of your e-form. Please follow up with any of the signers, if necessary. Keep in mind that you may not begin employment before you have received your new Form I-20 and until the CPT start date, and you must end employment on the date noted.
