A note from the Council of International Students and Organizations (COISO)

Welcome to the University of Miami! As you prepare for a spectacular college experience here at the U, know that COISO is here to help. COISO strives to foster an environment rich with opportunities for growth and success for international students.

The University of Miami has nearly 2,800 international students from more than 120 countries, and is celebrated for being one of the nation's most diverse institutions. We unite people from all over the world, help with the assimilation and integration process, and serve as a point of contact for international students, through meetings, events, and performances open to all students throughout the year.

This guide will help you:

- Prepare for your time at the University of Miami
- Adapt to living in Miami
- Tackle the essentials: driver's license, housing, bank account, cell phone
- Navigate the campus and the neighborhood
- Discover new places to eat
- Obtain important contact information

We recommend that you read the booklet before beginning your journey at the University of Miami.

Thank you for choosing the University of Miami... GO 'CANES!

Best of luck,

Council of International Students and Organizations

RESIDENTIAL ASSISTANTS (RA) AND FIRST YEAR FELLOWS (FYF)

RAs are student staff members that help students learn about life at Miami and in your residential community. Living on the floor, RAs serve as resources, support persons, and are there to provide a top quality residential experience.

FYFs are peer academic mentors to help in any academic concerns related to major and career exploration, advising students on developing four year plans, and connecting students to campus resources to aid in their success.

Notes

Freshmen are required to live on campus and upperclassmen have the option of living off campus. Many students opt to live off campus after their first year.

If you live in Stanford, Hecht, Eaton, Mahoney, or Pearson, you will be required to have a meal plan on campus. This is not required for University Village, residents as you have a kitchen.

Stanford, Hecht, Eaton, Mahoney, or Pearson residents have the option of having a bed loft, allowing for more space underneath your bed. Many students include a futon or couch if they choose to have the bed lofted.

FRESHMEN

Stanford Residential College: Two towers - Rosborough and Walsh, 12 floors each.

All student rooms at the University are air conditioned. Cable television service, Internet access, and local telephone service are included in room rent. Students, however, must bring their own telephone. There are two outlets in each room per resident. We recommend using an extension cord.

Each floor has a study room near the elevators, and a water fountain. Stanford has music practice rooms on the first floor.

Hecht Residential College: Two towers - McDonald and Pentland, 12 floors each.

Hecht is similar to Stanford. The towers are connected by a common area on the first floor where the front desk, study room, student mail boxes, vending machines, and laundry facilities are located.

There are two types of rooms in Stanford and Hecht Residential Colleges: Community-style single room and Community-style double room. All rooms are equipped with bed, dresser, desk, chair, bookshelf, trash can, and window coverings. Each floor, has one central bathroom facility that is cleaned daily and floors are assigned to one gender.

Community-style single

Community-style double

UPPERCLASSMEN

Eaton Residential College: Four floors

Eaton is located directly on the eastern side of Lake Osceola. Rooms are set up in a suite arrangement with two double rooms connected by a bathroom. Each floor includes single and double rooms, which have data and phone jacks for each student. There are also study lounges and laundry rooms on each floor.

Mahoney Residential Colleges: Seven floors

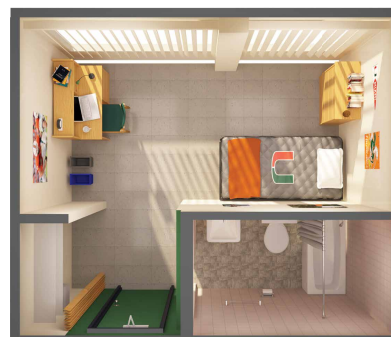

Mahoney is located at the northeast end of campus on the corner of Ponce de Leon Boulevard and Stanford Drive. This residential college is located within walking distance from the University Center, Merrick and Memorial buildings. Laundry facilities are located on floors 2 and 3, lounges on floors 4 and 5, and kitchens on floors 6 and 7.

Pearson Residential Colleges: Seven floors

Pearson Residential College is set up in a suite-style arrangement. Each floor is co-ed and includes 15 single rooms and 47 doubles. Laundry rooms are located on floors 2 and 3, study rooms on floors 4-7, and Special Interest floors.

Suite style

Suite style single

University Village:

Residency is limited to only full-time juniors and seniors with 60+ academic credits completed. Summer residency does not require students to be enrolled in academic courses.

Within the seven buildings there are five different apartment models ranging from one bedroom/one bath up to four-bedroom/four bath layouts. With the exception of the four-bedroom/two bath model, each of the other apartment models has private bedrooms with full-sized beds and en suite bathrooms.

Each apartment is fully furnished and equipped with kitchen appliances such as refrigerator, stove, dishwasher, and microwave. A washer and dryer are also included in each apartment.

University Village - The Palm (2 bedroom, 2 bath) - other models are not pictured.

Off-Campus Housing

Brickell is slightly farther away from campus and will need to be accessed by Metrorail or car.

The Off-Campus Housing Database is a great place to start.

Information and Questions

Residential meal plans come with two guest passes each semester.

If you need more information or if you have any questions about the Block/Meal Plans, please contact:

Phone: (305) 284-3584
Fax: (305) 284-1546

DINING SERVICES

Residential Meal Plans

Meal plans are mandatory for students living in the residential colleges (Hecht, Stanford, Mahoney, Pearson, & Eaton). Meal plans are an annual agreement, with a charge in the fall & spring semester. First year/freshman students must select between the following meal plan options: unlimited, 19 meal plan or 14 meal plan. Sign up for a meal plan on CaneLink under Housing.

Dining Dollars

Dining dollars can be used at these dining options as seen on the campus map. Dining dollars assigned to block and meal plans are semester values. Dining dollar balances rollover from fall to spring semester, but are forfeited at the end of the spring semester.

HEALTH AND WELLNESS

Immunization

Before arriving, all students must complete and submit an immunization compliance form. All international students must also be screened for risk of tuberculosis by completing page two of the immunization form. Immunization information must be entered at mystudenthealth.miami.edu and the completed immunization form must be uploaded to the same site prior to arrival on campus.

Insurance

All international students must purchase the medical insurance offered through the University of Miami at the time of registration unless they provide proof of agency or government sponsor coverage that has been reviewed and approved by the University Student Health Center prior to registration.

THE ESSENTIALS

DRIVER'S LICENSE

International students may drive with both a license from their country of origin and an International Driver's License for 90 days in the U.S. before they have to obtain a driver's license issued by the state of residence. Please contact ISSS before applying for a drivers license. If you plan to apply for a Florida Driver's License or Florida ID, you must wait until your SEVIS registration is complete and you have been in the U.S. for a minimum of 10 calendar days prior to applying. Please visit *Obtaining a Driver's License* (<http://www.issmiami.edu/common-procedures/drivers-license/index.html>) for application instructions. To obtain a drivers license permit you must first take the theory test at a Department of Motor Vehicles office (DMV).

For first-time issuance of a State of Florida driver's license or identification card, Florida law requires the following items from students in F-1 or J-1 status:

1. Passport
2. Proof of non-immigrant classification provided by the U.S. Department of Homeland Security (Form I-94)
3. F-1 or J-1 status documentation (Form I-20 or DS-2019)
4. Two original proofs of residence (cell phone bills, utility bills, official, original transcripts from UM, apartment lease). Students who live on campus will need to obtain proof of residence from the Department of Housing and Residential Life.
5. SSN cards (if one has been issued)

It is recommended that you take your foreign driver's license, if one has been issued. You may be exempt from the otherwise mandatory drug and alcohol traffic education course, the driving test, or parts of it. Complete information on the required tests and a link to the driver's manual can be found at www.dmvflorida.org/driving-test.shtml.

You are strongly advised to call to make an appointment. If you go without an

FLORIDA ID CARD

If you don't get a drivers license, all international students are encouraged to get a Florida ID card. You will need to bring the following to the nearest DMV:

1. Valid passport
2. Form I-20, DS-2019 (for J-1 students)
3. I-94
4. \$25 processing fee
5. Two documents confirming residence

BANKING

Bank of America is extremely convenient because there are Automatic Teller Machines (ATM) located on campus. Citibank and Chase banks are also near campus. You do not need a social security number (SSN) to open a bank account. Look out orientation week for bank representatives on campus.

Typical documentation required to open a bank account:

1. Your passport/photo ID
2. I-94
3. I-20 or DS-2019

CELL PHONE CARRIERS

T-Mobile: Simple choice plans include unlimited international texting and data at no extra cost in more than 120 countries.

AT&T: Similar to T-mobile's network but does not include the unlimited international texting and data. T-mobile and AT&T are the most common carriers seen among students at UM.

Verizon: Known to have the best coverage, but the plans may be slightly more costly.

Sprint: Generally a more affordable option.

SUMMERTIME

OPTIONS DURING THE SUMMER BREAK

The Toppel Career Center on campus is a great resource to find internships. Please see ISSS for work authorization. All international students must have work authorization to work off-campus.

Research programs: Many schools including UM offer summer research programs.

Study abroad (transfer credits): Before you register for summer abroad programs, meet with the Study Abroad office to make sure the credits will transfer.

Volunteer: The Butler Center is a great resource on campus to help you find more volunteer opportunities around Miami.
