All university students enrolled in 6 or more credits are required to have health insurance coverage. This is a one-time charge in the Fall Semester for the year. Students entering for the Spring semester are charged a prorated amount on their Spring bill for health insurance.

Note: Students who already have Health Insurance coverage will need to complete a waiver form each academic year by deadline established by Health Services in order for the health insurance fee to be waived.

* Tuition and fee rates are subject to change.
